Agenda

Two panels of cyber security experts share their insights on the magnitude of cyber security threats to Colorado financial institutions and the components of an effective Cyber Security Team.

Moderators for the panels are:

Alan Brill, Senior Managing Director, Cyber Security and Investigations, Kroll Associates, Inc., is the founder of Kroll's global high-tech investigations practice. Alan also teaches seminars for NATO's Center of Excellence for Defense Against Terrorism and their Science for Peace and Security (SPS) Program. A few days after our Education Event in Colorado, Alan is headed to Berovo Macedonia for a session co-sponsored by NATO and the U.S. National Defense University.

Rick Pither, CISSP, SparkCognition, Rick Pither has been in cyber security, virtualization and networking industry for over 24 years. He has held executive positions at Network General, McAfee, VMware, Secureworks and now at SparkCognition. Rick has served on various cyber security panels and spoken at large conferences, like EMC World and CiscoLive!.
