Rocky Mountain Information Security Conference

at the Colorado Convention Center, Denver, CO

INTERESTED IN LEARNING MORE ABOUT CAREERS IN IT/CYBERSECURITY?

COME TO THE RMISC CYBERGIRLZ / CYBERPATRIOT SESSIONS!

As a follow up to the CyberGirlz Summit, and to promote more interest in the CyberPatriot Competition to all students, The Rocky Mountain Information Security Conference is proud to host four events at this year's conference, covering the CyberPatriot program. Students (whether in the competition or not), coaches, mentors, assistants and parents are cordially invited to attend the conference on Wednesday, May 10th, 2017 from 11:00am through the end of day Keynote, at no cost.

First Event (RMISC Agenda Session Two): May 10th, 11:00am-12:10pm **Women in Technology Panel discussion with Leading Women in IT.**

Lunch 12:10–2:00pm **Lunch (no cost), Networking and touring the Exhibitor Hall.** Tour the vendor exhibition hall. Companies will be demonstrating their security products, universities showcasing their programs; often we have Government agencies showing the careers in their area.

Second Event (RMISC Agenda Session Three): May 10th, 2:00- 3:00pm
Air Force Associations CyberPatriot: The National Youth Cyber Education Program
- Brief Keynote from our Lady RMISC Ambassador, discussing her IT career and insight on opportunities in IT and CyberSecurity, from a Woman's perspective.
- Cherry Creek High School CyberPatriot Team Coach Jocelyn Nguyen-Reed will present:
    - What CyberPatriot is
    - How the Competition occurs
    - How you can become involved as a participant
    - How you can become a Mentor

Third Event (RMISC Agenda Session Four): May 10th,- 3:15-4:15pm
How We Did It: Preparing for success in CyberPatriot
- **Students and Coaches (and Parents!):** Come hear from the All-Female Cherry Creek Team, and other high placing teams, how you should prepare for the competition.
- **Conference Attendees:** Learn what specific skills and areas the students would like support on from those in the IT Security Community, what you could bring in terms of mentorship.

Keynote Session: May 10th, 4:30-5:15pm **Keynote Speaker Andre Durant, CEO of Ping Identity**
